Honorable Mark Forstenhausler,

Please find attached the First Notice Of Demand and Settlement For The Closing Of The Escrow.

For file number OTL01162018 Registered Mail number RE 246 243 083 US.

At the same time I am asking you that some officers have shown up at my residence at different times of days and nights pounding on the door. My Father who is 86 years old and a little hard of hearing and knows a little bit about this is quite upset. This is vexatious and harassment.

This case and these tickets/charges are over with, any more harassment will be noticed to the Adjutant General and we will file charges against any officer continuing these actions. I know you still do not fully understand what has happened but courts are under hidden Military Jurisdiction because these Judges hide facts.

I have already filed a DD2701 as witness to these facts, and suggest you read the last few Presidential Executive orders as it relates to Trafficking Persons, this is what courts are doing, Trafficking Persons into another Jurisdiction.

I respectfully Request you notify your officers to please stand down since this case is settled, and should I be handcuffed (assaulted) and Jailed (kidnapped) over an officer in Jefferson Township, along with Sparta New Jersey writing a tickets he had no rights to issue, as mentioned before my fee will be \$100,000.00 per day and they will be charged with a Felony.

Also, your Sargent demanding that the truck be re-titled, registered, and insured in anthers name before it was picked up by another licensed driver is a crime, and this too has been reported to the Adjutant General. Do not be surprised when the Military comes to pick both he and officer Guido for their Felony crimes. It's time to re-educate your police force and recognize Only the Law of Peace applies!

Respectfully Submitted
